We are pleased to have the opportunity to invite you as a sponsor to contribute to the 15th Docomomo international scientific transdisciplinary conference in Cankarjev dom, Ljubljana, to take place in August 28–31, 2018 under the title **Metamorphosis – Continuity of Change**. Docomomo is an acronym for DOcumentation and COnservation of MOdern MOvement and is an international non-profit organisation bringing together more than 70 countries from all over the world in studying, renovating and promoting the Modern Movement architecture of the 20th century. It comprises architects, historians, conservationists, civil engineers and other construction specialists, landscape architects, designers, planners, sociologists and many other professionals dealing with the issues and the destiny of the 20th century Modern Movement architecture, cities and landscape. This conference is a very special one, as 2018 marks the 30th anniversary of Docomomo. The organisation was founded in The Netherlands by two Dutch architects, Hubert-Jan Henket and Wessel de Jonge. The headquarters of Docomomo are now in Lisbon, and its chairperson is Ana Tostoes. The first chair of Docomomo Slovenia was Stane Bernik. Since 2004 the chair of Docomomo Slovenia has been Nataša Koselj. This conference is a perfect opportunity to promote companies dealing with architecture, cities and landscape on a highly professional, cultural and international level. It would be our greatest honour to advertise your company at the conference, online, on the printed materials and in the proceedings book.
